

OUR 3 Hope Valley PROMISES

- ✓ We only produce food that is fresh & tasty
- ✓ Every cow, chicken & sheep is treated as an individual
- ✓ We will continue to protect & preserve these hills - as we have done for the past 300 years

Our ice cream is made on our family farm in the heart of the Hope Valley, in the beautiful Peak District National Park. Made with milk from our happy cows & egg yolks from local free-range hens, our ice cream is lovingly made with the finest ingredients and a dash of Hope.

Please visit our website hope-valley.co.uk or visit our farm for a real taste of Hope & meet our happy cows... or call us on **01433 650659** for a chat.

Hope Valley Farm Produce Ltd.
Thorpe Farm, Hathersage,
Hope Valley S32 1BQ

Our ice cream is deliciously rich and creamy, but sadly it's no miracle slimming product! If, like us, you could benefit from a little extra exercise, you can pop up to the farm and help us round up our calves, if they've decided that the grass is greener on the other side of the fence. Or for a slightly more sedate option you can set out on one of the many great walks to or from the ice cream parlour on our farm starting in either Hathersage or Bamford. This map shows our favourite walks on and around our farm, from the top of the farm with amazing views of the valley, down to the stepping stones crossing the river Derwent in the bottom of the valley. We hope you enjoy these walks as much as we do.
